Dear Sam:

Recently both Lloyd Berkner and Bob Robertson have been besieged by a Mr. Leon Davidson with questions relative to their activities on and the results of the UFO panel which convened in Washington early in 1953. In anticipation that you might soon be bothered similarly, I am enclosing copies of an exchange of correspondence between Robertson and Davidson, and recommend strongly that you employ the general tenor of Bob's letter should the occasion arise.

In those cases where we have been required to correspond directly with Davidson, our reply has been merely one of acknowledging receipt and advising him that his queries had been forwarded to the Air Force for appropriate action.

Please advise me in the event you become caught up in this matter.

Best regards.

Sincerely,

Philip G. Strong
